

September 10, 2021 Update
Families,

Thank you to those families who were able to attend Open House! It was wonderful to get to see you and spend time together in the classroom! If you were unable to attend, please reach out, and we can set up another opportunity.

We have had a successful week this week. I am sending a bunch of notices and information home from the office, as well as a book order. I have included the online classroom code and link in case you want to shop online. All orders earn the class free books and resources! There are some great new available options that we are excited about!

Please look for a classroom newsletter next week which will get into more detail about what we have been doing in class, what grading looks like in 4th grade, and many other pieces of information.

Students will be using their “Go Home” blue folders along with their planners. The blue folder should be with the planner each day.

Have a great weekend!

☺ Mrs. Brewer
