**IMPORTANT MESSAGE**

**Alfond Youth Center After School Program**

The Alfond Youth & Community Center runs an after school program here at Canaan Elementary School; Monday thru Friday until 5 pm. This program provides fun, safe activities afterschool, on early release days as well as during vacations. Currently, several of our families are utilizing the program and enjoying what is being offered. Due to low enrollment we are not sure how much longer the AYCC will be able to keep the program running. If you are interested in the program for now or this spring, we encourage you to contact the school or Alfond Youth Center as soon as possible. Scholarships and Grants are available to help with registration costs.

**Community Food Pantry**

Did you know that we have a variety of shelf sustainable items located in our community food pantry. If there is something you would like to see in the pantry, let us know. We are open daily from 8:30 - 3:30 for your convenience. Stop by, check it out and grab a few items.

Please remember to send students to school prepared for the weather. Snow/Ice = hats, mittens, boots and jackets. We require everyone to wear a jacket at recess. Just a sweatshirt will not be enough.
