### Principal's Message

Welcome Back! I hope everyone had a wonderful winter break. It is so good to see most of the illness that was plaguing so many before the break has gone away. Fingers crossed it stays that way. It is the time of year in Maine where our weather is unpredictable as we transition toward spring and mud season. Remember to send students to school with the necessary items for the weather. Students might also consider packing an extra set of clothing just in case they get wet or muddy during recess.

**Lake George Regional Park Applications are due back to school on March 14<sup>th</sup>. If you need an application or have questions please call the school.**

Trimester 2 grades closed on March 1<sup>st</sup>. Reports will be coming home the week of March 11<sup>th</sup>.

Our PTF has changed their meetings to the first Tuesday of every month from 3:00-4:00. Please come and join an amazing group who support our students and school in so many ways throughout the year. If you cannot make the meeting but would like information, send an email to canaanelementaryptf@gmail.com.

The stretch between February and April vacation is the longest uninterrupted time in our school calendar. We want to see your children here at school and healthy; however, if your child needs to miss a day, please remember to contact the school so we can excuse the absence.

Kindergarten Screening will be held on May 17<sup>th</sup> for Canaan Elementary.

Your child must be 5 years old on or before October 15<sup>th</sup> to register. Please call the school for an appointment or questions at 474-3901.
