## Hip, hip, hooray!
Students are very excited to be back at school! We are diving into our animals and habitats unit starting with learning about frogs. We are learning about animal adaptations. Students are learning about animals through fiction and non-fiction books. They are enjoying this new learning!

## Phonics
Students are learning about chunks in words (sh, ch, th). They are continuing to learn about ending sounds in words.

## Writing
Students are working on writing sentences and using phonics to solve unknown words.

## Math
Students are learning about subtraction and practicing doing both addition and subtraction equations. We will be moving in to decomposing numbers next!

## Upcoming Events:
1/17: No School (Martin Luther King Jr. Day)
1/28: Early Release Day

## Reminders:
Please send shoes for your child as well as boots. Their feet get hot and sweaty if they are in boots all day. Please send warm mittens, a hat, ski pants and a winter coat. Morning recess is quite cold!
