

Miss Dutterer's Class Newsletter

What We Are Learning

In ELA this month students have started the next module, Athletes for Social Change.

Math this month has a focused on powers of ten and adding and subtracting fractions with unlike demoninators.

Science this unit revolves around chemical change and matter! Then we will focus on water.

In social studies, students will be learning about the American Revolution.

Month

March

Dates to Know

Workshop Day: March 14th

At Home Practice

Ask your student about what they are learning about at school..
Remember to read at home!

Reminders

Don't forget to read at home!
