CLASSROOM NEWS

Happy November!

This month brings the end of the 1st trimester, first report cards, and parent-teacher conferences. I am looking forward to meeting with each family to share and discuss their student learning! This year we are moving to an online sign up. The link is <https://msadistrict54.schoolsoft.com>

This month we will continue working on our multiplication strategies and adding and subtracting in the thousands. We will also learn about Veterans Day and Thanksgiving. It will be a busy month of learning!
