OUR LEARNING SNAPSHOT:

MATH:

- Children are practicing adding and subtracting within 1,000. We are still learning our multiplication facts, keep practicing!

WRITING:

- After finishing reading Charlotte's Web, the children are comparing two of the characters.

SCIENCE

- Ask your child about Pumpkin Jack! We are watching the lifecycle of a pumpkin right in our classroom.

NOTES:

As you may have noticed our school calendar has been updated and changed. Please note, the early release day that was scheduled for November 26th is now a full day. Several early release days that were on the original calendar are now full days, so please make note of the changes. I have attached the updated calendar.

CONFERENCES:

This year we are moving to an online signup for parent teacher conferences. It is the same system the high school uses, if you are familiar with that. The link will be active 11/4-11/20. This way you can sign up and coordinate if you have more than one conference to attend. The link is below.
