

## **Canaan Elementary School Based Food Cupboard**

**We are in the early stages of establishing a school based food cupboard that will be available to families in need who have children at the Canaan School. We are applying for a partnership with the Good Shepard Food Bank to keep our food cupboard full. This is a lengthy process. In the meantime we have limited food availability in our school for those in need.**

**The goal is to eventually fill the food cupboard with support from the Good Shepard Food Bank. In the meantime, we plan to hold monthly themed dress up days to maintain the food in the cupboard along with other community support. We will be asking for monetary donations on these days - any amount is appreciated.**

**Please contact the school if you are in need of food for your family. Our goal at the Canaan school is that no child will experience hunger when school is not in session!**
