# Kindergram

October 2023

## Hip, hip, hooray!

Students have loved our learning as we continue our community unit! They have developed great story telling skills and their imaginations in our dramatic play center. Students are coming along nicely with writing their names and knowing our school rules.

If you are purchasing pictures for picture day, please fill out the form and put it in your child's folder so that I see it before the pictures are taken or fill out the form online.

*We are asking for a donation of Lysol wipes, hand sanitizer, tissues and paper towels. Cold season has already begun and having enough supplies would be wonderful! 😊*

## Phonics

Students are working on the letter sounds for the letters that we are learning to write.

## Writing

Students are working on telling stories with a beginning, middle and end. They are working on answering questions about their stories. They are also working on writing a label for their pictures.

## Math

Students are working on recognizing the numbers 0-10, using fingers to help show how many and solving if there is 'enough' of tools by counting and comparing numbers. Please practice counting as high as your child can go!

**As more events come up, I will send notices home. 😊**

## Upcoming Events:

10/6: Picture Day  
10/9: No School  
10/16-10/20: Book Fair  
10/19: Grandparents' Day  
10/25: Early Release Day (11:45 dismissal)  
10/28: Trunk or Treat  
10/31: Pumpkin Day for Kindergarten

## Reminders:

- Please send in a water and a snack with your child.
- Please send library books back and check your child's folder daily.
